

## RECHARGEABLE BATTERIES

### ELUBAT NiMH

#### Batteries for self-contained emergency lighting systems

#### Product properties nickel metal hydride batteries

- High-temperature cells 5 – 50 °C
- NiMH batteries
- LA-, A-cells
- Different arrangements of cells and connecting plugs
- Charging time 24 h
- 4 years expected life duration
- 12 months warranty

#### Fixing caps NiMH-cells

- Fixing caps for NiMH batteries 1 h / 3 h
- Easy mounting
- Suitable for batteries
  - with A-cells
  - with LA-cells
  - stick-type
- Article number 32'431'000
- Customs tariff number 3926.9000
- Sales unit 500 pieces

#### Technical data nickel metallhydride batteries

	A-cell	LA-cell
Temperature range	5 – 50 °C	5 – 50 °C
Voltage/cell	1,2 V	1,2 V
Capacity	1,8 Ah	4,5 Ah
Diameter	17 mm	19 mm
Length/cell	51,25 mm	89,5 mm

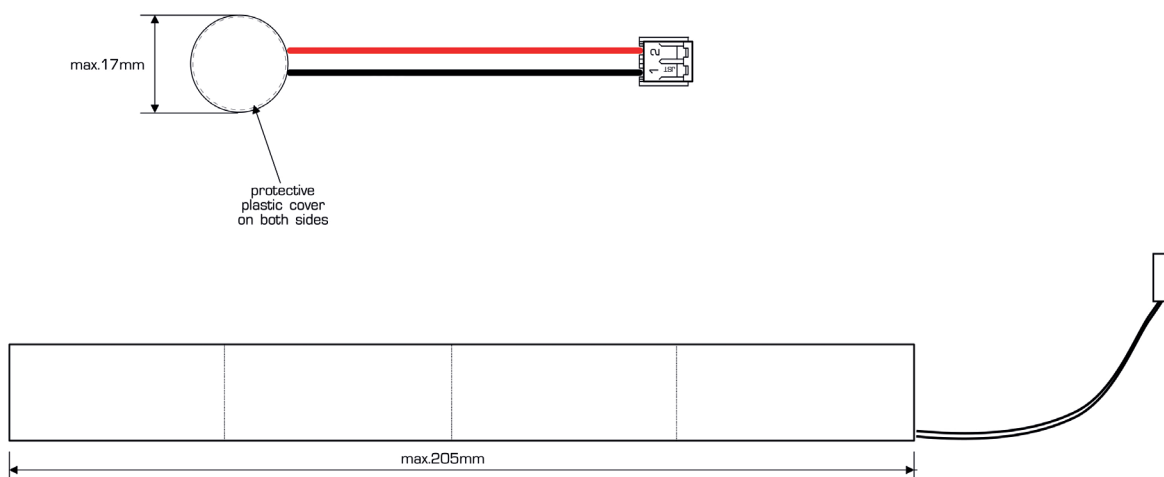

#### Certification mark

- CE

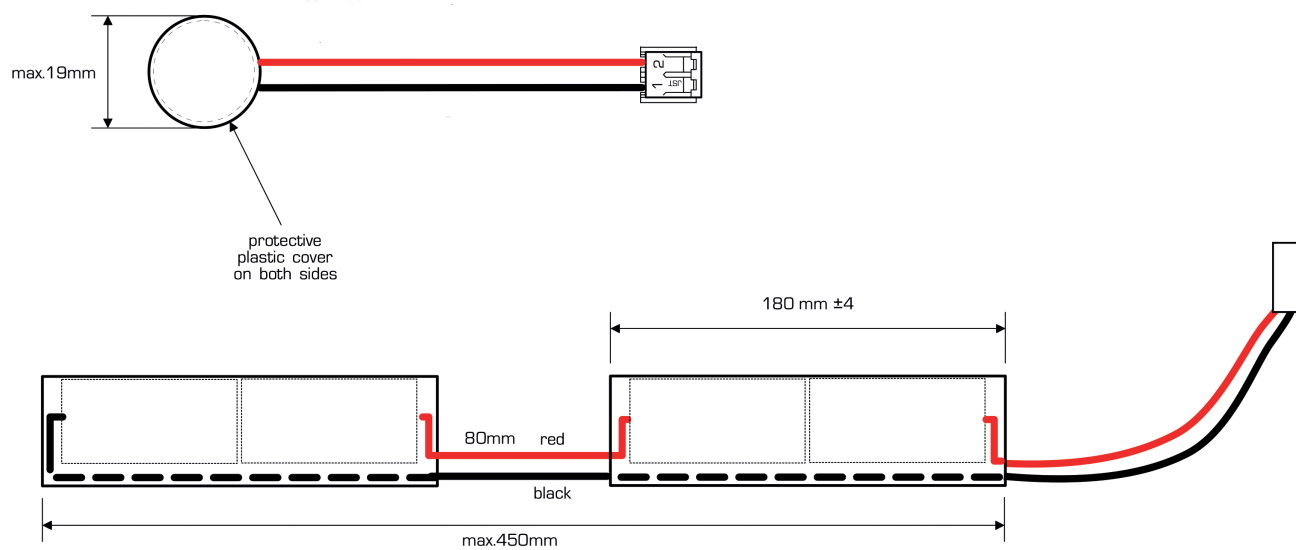

#### Measurements

#### 4 A-cells NiMH stick (Art.-Nr. 32'431'211)

## 4 LA-cells NiMH twinstick (Art.-Nr. 32'441'421)
